Temenos Golf Course managed by Cap Juluca provides the ultimate golf experience in the Caribbean – a Greg Norman designed course with breathtaking views and challenging, dramatic holes.

Players are greeted by a spectacular view of St. Maarten and the Caribbean Sea at the tee box of the 384-yard starting hole. The overwhelming visual appeal continues with holes two and ten sharing a 16,000 square foot green that rests along the Anguilla Channel. Large Sea Grape trees on the left and the Merrywing pond on the right frame the perilous drive on the 423-yard 16th hole that plays into the trade winds and finishes with an elevated green surrounded by water and protected by deep bunkers. The narrowing fairway on the 18th hole ascends forty feet through rugged terrain to a narrow green carved out of the native plantings.
