

CONFERENCE AND EVENTS FACILITIES Abu Dhabi's Foremost Meeting and Events Space Press Information

The iconic Yas Viceroy provides the perfect setting for meetings and events, overlooking the Yas Marina and positioned on the Yas Marina Circuit. It boasts 12 entertainment and dining options as well as a total of 3520 sqm in conference and banqueting space, including a ballroom, six meeting rooms, four boardrooms and outdoor terraces.

The hotel consists of two separate buildings, connected by a bridge overlooking Yas Marina Circuit, featuring an exclusive club bar and an Executive level for connectivity. This club bar atop the circuit, a concept by Georges V Restauration whose work includes Buddha Bar, is very much a destination venue, hosting eminent DJ's in the evening. Guests have a choice of 7 restaurants; including Origins (International dining), Atayeb (Pan Arabic), Angar (Indian tandoori), Amici (Italian), Kazu (Japanese) Nautilus (Seafood) and Noodle Box (Asian).

The hotel is located on Yas Island, a natural island measuring 7.5km by 6.5km. As well as the Yas Marina Circuit, the island features Yas Links Golf Course an 18-hole Links Championship golf course, Yas Marina, a 150 berth marina, Ferrari World Abu Dhabi (the World's largest indoor theme park) and other projects including a water park and 269,000sqm of retail space.

Conference Rooms

The hotel features six meeting rooms and four boardrooms, all of which benefit from natural daylight with the ability to offer complete blackout. All rooms are equipped with the latest technology including projectors, mobile video and teleconferencing facilities, a music system, TV broadcasting infrastructure, centralised AV control system, wireless touch panels, internet, microphones, and digital signage in the public areas to direct guests.

All six meeting rooms offer up to 52 sqm of space and have the ability to interconnect up to two rooms, doubling the size. Single meeting rooms can accommodate 20 - 40 people cocktail-style or 18 - 40 theatre-style, and can be tailored to requirements.

The four boardrooms measure between 36 and 42 sqm and offer a fixed boardroom table setting, featuring surround-sound speakers, an addition to the standard audiovisual arrangement found in the meeting rooms.

All of the hotel's conference and events facilities have access to general services including the Business Centre with technical concierge, limousine, and concierge services.

The Ballroom

The ballroom offers guests a grand setting with 504 sqm in event space, accommodating up to 600 people. Continuing the advanced contemporary style of the hotel, the traditional ballroom chandeliers have been replaced with crystal LED lights tracing the path of the speed line design which runs through the flooring. Walls are clad in white upholstered panels with bespoke geometric patterns. The luminescent walls reflect the customisable colour of lights, bringing opulence and individuality to the room.

The room is equipped with motorised projectors, broadcasting facilities, centralised AV touch panels, WiFi, microphones and sound servers. The full height ceiling, along with the ability to open up one side of the room, makes it the ideal location for car or product launches.

The Palm Garden

Situated just outside the ballroom, overlooking Yas Marina and Yas Marina Circuit, The Palm Garden is a multi-use venue that provides the perfect setting for corporate team building, VIP receptions, car launches and wedding receptions.

With over 800 sqm of lawn area, catering for up to 1500 people reception and 800 gala, this outdoor venue is ideal for entertaining large numbers of guests.

Rooftop Pool Deck - Marina Wing

Located on the top of the hotel, with panoramic views of Yas Island, the Pool Deck offers a unique and intimate setting, perfect for entertaining VIPs at an exclusive reception.

This venue can accommodate up to 120 people reception-style and offers a designated DJ / entertainment space.
