## Weddings & Honeymoons

Every component and detail come together at Viceroy Zihuatanejo for glorious destination weddings and romantic getaways. From a stunning location, ideal setting and perfect weather to sophisticated guest facilities, services and amenities, the resort choreographs the perfect script to tie the knot, enjoy a blissful honeymoon or escape on a lovers' interlude.

**Location:**

Hugging the white sands of serene Zihuatanejo Bay, Viceroy Zihuatanejo is nestled on one of Mexico's most beautiful beaches, exquisite Playa la Ropa. The 600 feet of private beach, stretching along the azure waters of the resort's splendid Pacific coastline, is a dream venue for a beach wedding – set against a lush background that is a green sea of rustling coconut palms and tropical gardens. And before and after the ceremony, the beach is a playground for the bride and groom and their guests, as well as for couples on an intimate getaway.

**Weather:**

The Mexican Riviera's ideal weather couldn't be more perfect for planning an al fresco wedding. The weather is consistent year after year, with an average temperature of 85° F year-round and a minimal chance of rain.

**Events:**

For rehearsal dinners, receptions and other events, there are two gourmet restaurants that serve refined cuisine in elegant, candlelit ambiances.

**La Marea** prepares superb Mediterranean and Mexican fare created with fresh local ingredients, notably seafood caught daily. Offering an open-air design and a large wood deck by the sand with ocean views, La Marea can accommodate between 90 and 200 guests for a ceremony and reception on the beach.

**La Villa**, serving modern interpretations of Pacific-Mexican cuisine, features three palapas overlooking the bay and a charming terrace. It's a beautiful beach venue for a ceremony and a reception for 110 to 200 guests.

**Coral Bar** is a perfect spot for welcome cocktails or a brunch for up to 60 people.

The **Yoga Pavilion** is a private beachfront location for cocktail receptions, rehearsal dinners, or a wedding reception for between 75 and 150 people along the beach.

Special events can also be held in a variety of other locations. The Maitre D'hôtel will gladly assist in arranging anything from an intimate fiesta in your suite to a private party on the beach.

### **Wedding Coordination:**

The resort's expert Wedding Coordinator works closely with the bride and groom to plan their big day, down to the smallest detail. Elegant beach wedding packages are available or the event can be completely personalized. The Wedding Coordinator can also assist with the legal documentation required for a marriage certificate.

### **Unique Rooms and Suites:**

Each of the 48 luxurious guestrooms and suites has a unique design all its own – and each is an intimate hideaway. The tasteful decor features local Mexican art and earthy color schemes. Every room and suite has spectacular views of azure sea or verdant tropical gardens. All accommodations are graced with a private terrace or balcony, while suites also have a private outdoor plunge-pool. The two-bedroom, beachfront Presidential Suite is the resort's most luxurious accommodation, affording extraordinary comfort and ample space for the bride's wedding-day preparations. The uniquely designed Presidential Suite boasts an expansive open-air living area with indigenous-marble and stone-inlay floors, elegant seating areas, spa-like marble bathrooms, and a private plunge pool with incredible 180-degree views of the entire Zihuatanejo Bay.

### **Fun and Games:**

Guests can simply relax on the exquisite beach, being served by a butler, or be as active as they want to be. There are three swimming pools including an infinity pool poised at the sand's edge. Zihuatanejo Bay's warm waters, naturally sheltered from the Pacific, are ideal for swimming and every kind of water sport year round. There are two lighted tennis courts and an air-conditioned fitness center. Nearby are golf and horseback riding, kayaking, biking and snorkeling on Ixtapa Island, zip line adventures and jungle excursions. Guests may also take a cooking class with the chef that includes visiting local markets.

### **Honeymoons:**

Everything that makes Viceroy Zihuatanejo the perfect choice for a destination wedding also make the resort ideal for honeymoons and romantic escapes. Viceroy Zihuatanejo sets the scene for romance: Ensnared in a spacious, beautifully appointed suite, couples enjoy a personal patio with an oversized lounge chair and personal plunge pool; a massage for two in suite; turndown service with aromatherapy candles; and, to start the day right, breakfast in bed with Mimosas. If oceanfront dinners on La Marea's deck or La Villa's terrace are not romantic enough, couples can opt for Viceroy Zihuatanejo's private torch-lit dinner on the beach with a special five-course tasting menu and a bottle of Champagne. Just ask and the resort will arrange every detail for a perfectly-timed proposal or a personally tailored intimate dinner.
