CEREMONIES

Temazcal

The Temazcal, whose name comes from the Aztec Nahuatl dialect (House of Hot Stones), is a structure representing mother earth's womb, in which through steam and medicinal herbs help us to purify body and spirit. The stones represent the grandmothers which contain the wisdom of the earth inviting us to reflect, so living the experience of the Temazcal is a good opportunity to release what we no longer want in our life and reborn again. The elements that work with us are:

- Water - Represents our blood, liquids, and emotions.
- Earth - The Temazcal that represents the body, the matter.
- Air - Aromatic fumes, our energy, our breath.
- Fire - Volcanic stones. It represents the Spirit.
